This introductory flight gives you a sneak preview on safety measures and other related features when piloting the aircraft. It is a foretaste to promote recreational flying and certainly an opportunity that must not be missed.

**an experience of a lifetime
an antic filled with enjoyment**

ABOUT OUR CLUB

We have been operating since 2004. Our club has received tremendous support from our former Prime Minister Tun Dr Mahathir bin Mohamad since commencement as he was our first Patron. We possess three Cessna aircrafts.

ABOUT OUR PILOTS

We have experienced and skilful pilots who are trained to conduct this programme. Our pilots and safety standards are monitored and supervised at all times by our head of training who is currently a 747 captain with Malaysia Airlines.

PROGRAMME FEE RATE PER PERSON

Flight introductory programme consists of a pre-flight safety briefing and 30 to 45 minutes of flying.

ONLY RM 590

ARE YOU ELIGIBLE?

The Department of Civil Aviation (DCA) has strict eligibility guidelines that potential students must adhere to when participating in this programme:

- You must be at least 17 years of age
- If you are a foreigner, you will require a valid Malaysian work permit
- You must be medically fit to fly

WE HAVE BEEN PROMOTING RECREATIONAL FLYING SINCE 2004

Whiz through the sky and witness a collection of magnificent views in this thrilling experience
