

BECOMING A PILOT

FULFILL YOUR BURNING DESIRE AND FLY WITH US!

FAS UDARA FLYING CLUB WE HAVE IT ALL

- COMPETITIVE RATES
- EXPERIENCED INSTRUCTORS
- PERSONALISED TRAINING
- COMFORTABLE ENVIRONMENT

If you are an enthusiastic and adventurous individual looking for new thrills and sheer enjoyment, then this exciting programme is definitely for you. Feel the exhilaration of piloting a two seater aircraft whilst taking in a collection of magnificent views. In less than 6 months, you can be amongst others who have successfully become recreational flyers! Our team of instructors is vastly experienced and will provide you an inspiring journey throughout the programme.

Our rates are competitive
Quality is not compromised

ABOUT OUR CLUB

We have been operating since 2004. Our club has received tremendous support from our former Prime Minister Tun Dr Mahathir bin Mohamad since commencement as he was our first Patron. We possess three Cessna training aircrafts.

ABOUT OUR INSTRUCTORS

We have four experienced instructors. Some are attached with airlines. We provide students the option of part time or full time classes for their convenience. Our club operations and training is headed by a 747 captain with Malaysia Airlines.

BE AMONGST THOSE WHO HAVE SUCCEEDED

In less than 12 months you can be piloting the aircraft on your own!

UDARA FLYING CLUB
PROVIDES YOU THE BEST TRAINING

*There is nothing but air and opportunity
to do what your heart desires...

Giveaway

You will receive an exclusively designed FAS Udara Flying Club T-Shirt

What you must know?

The Department of Civil Aviation (DCA) has strict eligibility guidelines that students must adhere to when applying for the programme:

- Students must be at least 17 years of age
- If you are a foreigner, you will require a valid work permit
- You must be certified fit upon undergoing a Class 2 medical examination

Club regulations are final:

- Course fee may vary without notice as it is subject to fuel rates, instructor's fees and other miscellaneous charges
- Additional costs may be incurred should a student be required to repeat ground papers or revise flight sorties
